

DOWNLOADING AND INSTALLING THE STM32 WORKBENCH

1. Go to *<https://www.openstm32.org/HomePage>*.
2. Log in if you have an account, or register for one if you do not.
3. After logging in, in the “Step 1: Explore” section, you will see a line that says, “Instructions are provided [here](#).” Click on the link and follow the instructions. You want to install the STM32 Workbench from the installer, not Eclipse.
