

## Errata for *The Ghidra Book* (updated to 2<sup>nd</sup> printing)

**Page 148:** The one-line listing example immediately before the final paragraph that reads:

```
00010a30    CALL    getaddrinfo    int getaddrinfo(char * __name, c...
```

should now read:

```
00100a30    CALL    getaddrinfo    int getaddrinfo(char * __name, c...
```

**Page 181:** The sentence in the last paragraph that reads:

For example, in comparing the vftables shown in Figure 8-14 . . .

should now read:

For example, in comparing the vftables shown in Figure 8-13 . . .
