

Errata for *Python Flash Cards* (updated to 2nd printing)

Page 5 (booklet): Under the heading “Python on Linux,” the last code line that reads:

```
$ sudo apt-get install python3.7
```

should now read:

```
$ sudo apt-get install python3.8
```

Page 6 (booklet): Under the heading “Python on Linux,” the first code line that reads:

```
$ python3.7
```

should now read:

```
$ python3.8
```
