“Rather than defining `timeout_duration=10` and `timeout_units=second`, use `timeout=10s` or `timeout: { duration: 10, units = second }.`”

should now read:

“Rather than defining `timeout_duration=10` and `timeout_units=second`, use `timeout=10s` or `"timeout": { "duration": 10, "units": "second" }.`”
