

Contents in Detail

Introduction	xxiii
How This Book Is Organized	xxiv

Part 1: Basic Training

Chapter 1: Turning Your iPad On and Off	3
What You'll Be Using	4
Turning On Your iPad	4
Turning Off Your iPad	5
Putting Your iPad to Sleep	5
Putting Your iPad to Sleep Automatically	6
Waking Up Your iPad from Sleep Mode	7
Turning Airplane Mode On and Off (3G iPad Models Only)	8
Additional Ideas for Turning Your iPad On and Off	9

Chapter 2: Charging and Conserving iPad Battery Power	11
What You'll Be Using	12
Recharging an iPad	12
Turning Off Wi-Fi and 3G	12
Turning Off Push Accounts	14
Turning Off Location Services	15
Monitoring Battery Life	16
Turning Off Bluetooth	17
Additional Ideas for Conserving Power	18

Chapter 3: Using Your iPad's Physical and Virtual Controls	19
What You'll Be Using	20
Viewing the Home Screen	20
Adjusting the Volume	21
Muting the Volume	23
Multitasking with the Home Button	23
Locking the Screen Rotation	24
Adjusting the Screen Brightness	24
Additional Ideas for Controlling Your iPad	25

Chapter 4: Controlling the iPad User Interface	27
What You'll Be Using	28
Using the Multi-Touch Screen	28
Using the Select Command	28
Using the Scroll Command	28
Using the Zoom Command	31
Additional Ideas for Controlling Your iPad	32

Chapter 5: Using and Customizing the Virtual Keyboard	33
What You'll Be Using.....	34
Displaying Different Virtual Keyboards.....	34
Typing on a Virtual Keyboard.....	36
Typing Text.....	36
Moving the Cursor.....	37
Selecting, Copying, and Cutting Text.....	39
Selecting a Single Word.....	39
Selecting Part of Your Text.....	40
Pasting Text.....	41
Spellchecking.....	42
Customizing the Virtual Keyboard.....	43
Adding Auditory Keyboard Clicks.....	44
Typing Foreign Characters.....	45
Additional Ideas for Using the Virtual Keyboard.....	46

Part 2: Customizing Your iPad

Chapter 6: Customizing the Home Screen	49
What You'll Be Using.....	50
Rearranging Icons on the Home Screen.....	50
Rearranging Icons on the iPad.....	50
Rearranging Icons Through iTunes.....	50
Rearranging Icons into Folders.....	51
Renaming a Folder.....	52
Taking Icons out of a Folder.....	53
Putting Apps on the Dock.....	53
Adding App Icons to the Dock.....	54
Taking App Icons off the Dock.....	54
Resetting Your Home Screen.....	54
Modifying the Wallpaper.....	55
Adjusting the Wallpaper Brightness.....	55
Changing the Wallpaper.....	56
Additional Ideas for Customizing Your Home Screen.....	58
 Chapter 7: Using Parental Controls	 59
What You'll Be Using.....	60
Blocking iPad Features.....	60
Filtering Content.....	63
Disabling Restrictions.....	63
Additional Ideas for Using Restrictions on Your iPad.....	64

Chapter 8: Protecting Your Privacy	65
What You'll Be Using	66
Setting (or Removing) a Passcode	66
Setting a Passcode	66
Changing a Passcode	67
Removing a Passcode	67
Defining When to Ask for a Passcode	68
Erasing Data After 10 Incorrect Passcodes	69
Additional Ideas for Protecting Your iPad	70
Chapter 9: Setting the Date and Time	71
What You'll Be Using	72
Picking a Time Zone	72
Setting the Date and Time	73
Setting (or Turning Off) 24-Hour Time	75
Additional Ideas for Modifying the Date and Time on Your iPad	75
Chapter 10: Restoring and Resetting Your iPad	77
What You'll Be Using	78
Restoring an iPad	78
Restoring from a Backup	78
Encrypting Your Backup	79
Deleting a Backup	80
Resetting Everything	81
Saving Your Data While Resetting the iPad	81
Resetting and Erasing Your iPad	82
Resetting the Network Settings	82
Resetting the Keyboard Dictionary	82
Resetting Location Services	83
Additional Ideas for Resetting Your iPad	83
Chapter 11: Setting Up an Internet Connection	85
What You'll Be Using	86
Setting Up a Wi-Fi Connection	86
Forgetting a Wi-Fi Network	87
Connecting to a 3G Cellular Network	88
Canceling (or Switching) a Cellular Data Plan	89
Additional Ideas for Connecting to the Internet	90
Chapter 12: Installing (and Uninstalling) Apps	91
What You'll Be Using	92
Finding Apps on Your iPad	92

Installing an App	95
Finding Apps in iTunes	95
Updating Apps on the iPad.....	96
Deleting Apps from the iPad	96
Deleting an App from the iPad	96
Deleting an App Using iTunes	97
Running iPhone Apps on the iPad.....	97
Additional Ideas for Installing and Uninstalling Apps	98

Part 3: Getting on the Internet

Chapter 13: Browsing with Safari	101
What You'll Be Using	102
Navigating Safari	102
Searching in Safari.....	103
Opening Multiple Web Pages	103
Opening a Blank Web Page	104
Opening a Link in Another Web Page	106
Emailing a Web Page Link.....	107
Copying a Graphic Image from a Web Page	108
Printing a Web Page	109
Additional Ideas for Browsing the Internet.....	110
Chapter 14: Using Bookmarks with Safari	111
What You'll Be Using.....	112
Using the History Window.....	112
Revisiting a Website Stored in the History Window	112
Clearing the History Window	113
Adding and Managing Bookmarks	114
Adding a Bookmark in the Bookmarks Window or Bookmarks Bar	114
Showing (or Hiding) the Bookmarks Bar	116
Deleting and Rearranging Your Bookmarks	117
Saving a Website as a Home Screen Icon	118
Creating Folders in the Bookmarks Window	119
Additional Ideas for Bookmarking Favorite Websites	120
Chapter 15: Filling Out Forms Automatically in Safari	121
What You'll Be Using	122
Turning On the Autofill Feature.....	122
Using AutoFill in Safari.....	123
Additional Ideas for Using AutoFill	124

Chapter 16: Setting Up and Customizing an Email Account	125
What You'll Be Using.....	126
Setting Up an Email Account Automatically.....	126
Setting Up an Email Account Manually.....	129
Customizing Mail Accounts.....	131
Additional Ideas for Setting Up and Customizing Email Accounts.....	132
Chapter 17: Reading, Writing, and Organizing Email	133
What You'll Be Using.....	134
Reading Email.....	134
Moving a Message to Another Folder.....	135
Moving a Single Message.....	135
Moving (or Deleting) Multiple Messages.....	136
Replying to, Forwarding, or Printing an Email Message.....	137
Replying to a Message.....	137
Forwarding a Message.....	139
Printing a Message.....	140
Writing a New Message.....	140
Deleting Messages.....	140
Searching Email.....	141
Additional Ideas for Reading, Writing, and Organizing Messages.....	142

Part 4: Sharing Data with Your iPad

Chapter 18: Transferring Photos, Movies, Music, TV Shows, and Podcasts to Your iPad	145
What You'll Be Using.....	146
Importing Files to iTunes on Your Computer.....	146
Synchronizing Photos.....	147
Transferring Music to Your iPad.....	149
Synchronizing Podcasts.....	150
Transferring Movies and TV Shows to Your iPad.....	152
Additional Ideas for Transferring Audio and Video.....	154
Chapter 19: Transferring Ebooks and Audiobooks to Your iPad	155
What You'll Be Using.....	156
Importing Ebooks into Your iPad.....	156
Installing the Free iBooks App.....	156
Importing Audiobooks, EPUB, and PDF Files into iTunes.....	157
Transferring Ebooks and Audiobooks from iTunes to an iPad.....	157
Converting Files to EPUB Format.....	158

Reading Microsoft Word Files on an iPad	159
Reading EPUB and PDF Files	160
Additional Ideas for Transferring Ebooks to Your iPad	161

Chapter 20: Transferring Contacts, Appointments, Mail, Notes, and Bookmarks

What You'll Be Using	163
Synchronizing Contacts	164
Synchronizing Appointments	165
Synchronizing Mail, Notes, and Bookmarks	166
Additional Ideas for Synchronizing Personal Information	168

Chapter 21: Transferring iTunes University Courses from a Computer to Your iPad

What You'll Be Using	169
Downloading iTunes University Courses to Your iPad	170
Transferring iTunes University Courses to Your iPad from Your Computer	171
Playing iTunes University Courses on Your iPad	172
Additional Ideas for Transferring iTunes University Classes to Your iPad	174

Part 5: Video, Music, and Ebooks

Chapter 22: Shopping on iTunes and the iBookstore

What You'll Be Using	177
Shopping for Music, Movies, TV Shows, and Audiobooks	178
Shopping for iBooks	182
Additional Ideas for Shopping Online	184

Chapter 23: Listening to Music and Other Audio Files

What You'll Be Using	185
Playing a Song in Different iPod Modes	186
Choosing a Song	188
Controlling Your Music	192
Finding a Podcast, Audiobook, or iTunes U Course	194
Searching for Any Audio File	195
Controlling Your iPod While Using Other Apps	196
Tagging Audio Files	196
Additional Ideas for Listening to Audio Files	198

Chapter 24: Watching Videos

What You'll Be Using	199
Choosing a Video File	200
Viewing a Video	201
Additional Ideas for Watching Video	203

Chapter 25: Watching YouTube Videos	205
What You'll Be Using.....	206
Choosing a YouTube Video.....	206
Viewing a Video.....	207
Searching for a YouTube Video.....	209
Additional Ideas for Watching YouTube Videos.....	209
Chapter 26: Reading Ebooks	211
What You'll Be Using.....	212
Opening (and Closing) an Ebook.....	212
Turning the Pages of an Ebook.....	213
Turning One Page at a Time.....	213
Jumping to Specific Chapters.....	214
Jumping to Any Page in an Ebook.....	215
Jumping to Any Page in a PDF File.....	216
Searching for Text.....	218
Using Bookmarks.....	220
Creating a Bookmark.....	220
Jumping to and Deleting a Bookmark.....	220
Making Ebooks Easier to Read.....	222
Additional Ideas for Reading Ebooks.....	223
Chapter 27: Viewing Photographs	225
What You'll Be Using.....	226
Viewing Pictures.....	226
Navigating Through Pictures.....	229
Creating a Slideshow.....	230
Making a Slideshow Within the Photos App.....	230
Turning Your iPad into an Electronic Picture Frame.....	230
Additional Ideas for Viewing Pictures.....	233
Chapter 28: Using and Sharing Photographs	235
What You'll Be Using.....	236
Sending Pictures by Email.....	236
Sending a Single Picture by Email.....	236
Sending Multiple Pictures by Email.....	238
Assigning a Picture to a Contact.....	239
Additional Ideas for Using Your Pictures.....	240
Part 6: Organizing Yourself	
Chapter 29: Jotting Down Notes	243
What You'll Be Using.....	244
Typing a Note.....	244
Creating New Notes.....	246

Navigating Through Your Notes.....	246
Sending a Note by Email.....	247
Deleting a Note.....	247
Additional Ideas for Typing Notes.....	248
Chapter 30: Viewing Contact Information.....	249
What You'll Be Using.....	250
Viewing Contact Information.....	250
Adding a New Contact.....	252
Editing and Deleting a Contact.....	253
Sending Contact Information by Email.....	255
Sending Email to a Contact.....	256
Getting Directions to a Contact.....	257
Additional Ideas for Using Contacts.....	257
Chapter 31: Tracking Appointments on a Calendar.....	259
What You'll Be Using.....	260
Understanding the Different Calendar Views.....	260
Setting an Appointment.....	263
Editing (or Deleting) an Appointment.....	267
Searching for an Appointment.....	268
Viewing Calendars.....	269
Additional Ideas for Using Calendars.....	270
Chapter 32: Viewing a Map.....	273
What You'll Be Using.....	274
Viewing a Map.....	274
Manipulating a Map.....	274
Changing the Appearance of a Map.....	275
Finding Your Current Location.....	277
Using the Compass.....	277
Additional Ideas for Using Maps.....	278
Chapter 33: Finding Places and Getting Directions with Maps.....	279
What You'll Be Using.....	280
Finding Places on a Map.....	280
Searching for an Address.....	280
Searching for Certain Types of Places.....	283
Bookmarking Favorite Locations.....	284
Saving a Location as a Bookmark.....	284
Placing Your Own Bookmark.....	286
Finding an Address with Bookmarks and Contacts.....	287
Saving a Location in the Contacts App.....	288
Sending a Location to a Friend by Email.....	289

Getting Directions	290
Getting Directions to a Specific Address	290
Getting Directions from an Address Stored in the Contacts App	293
Getting Directions from the Information Icon	294
Additional Ideas for Finding Places and Getting Directions with Maps	294

Chapter 34: Searching Your iPad with Spotlight	295
What You'll Be Using	296
Searching with Spotlight	296
Customizing Spotlight	298
Additional Ideas for Searching with Spotlight	299

Part 7: Additional Tips

Chapter 35: Updating the iPad Operating System	303
What You'll Be Using	304
Checking for Operating System Updates	304
Identifying Your Current Operating System	305
Additional Ideas for Updating Your Operating System	306

Chapter 36: Making an iPad Accessible	307
What You'll Be Using	308
Improving the Visual Quality of the Screen	308
Turning On VoiceOver	310
Turning On Closed Captioning and Mono Audio	312
Turning Accessibility Features On and Off Rapidly	313
Additional Ideas for Making Your iPad Accessible	315

Chapter 37: Using Foreign Languages	317
What You'll Be Using	318
Switching the iPad's Default Language	318
Defining a Foreign-Language Keyboard	320
Using a Foreign-Language Virtual Keyboard	321
Additional Ideas for Using Foreign Languages on your iPad	323

Chapter 38: Transferring and Editing Microsoft Office Documents ..	325
What You'll Be Using	326
Transferring Microsoft Office Files to Your iPad	326
Transferring Files from Your iPad to Your Computer	329
Deleting Files From iTunes	330
Additional Ideas for Transferring Microsoft Office Files	332

Chapter 39: The Best iPad Apps	333
What You'll Be Using.....	334
Office Productivity Apps.....	334
Sorted and Things.....	334
GoodReader and SimplyPDF.....	335
Parallels for iPad.....	335
Remote Desktop.....	336
Bento.....	336
Penultimate and PaperDesk.....	336
Offline Pages.....	337
PCalc Lite.....	337
News and Information.....	338
ABC News, AP News, BBC News, Fox News, NPR News, and Reuters News Pro.....	338
The Weather Channel.....	338
Bloomberg for the iPad.....	339
Painting and Drawing Apps.....	340
SketchBook Pro.....	340
Adobe Ideas.....	340
Doodle Buddy.....	341
Entertainment Apps.....	342
iBooks, Kindle, and Kobo.....	342
Netflix.....	342
ABC Player.....	343
JamPad and Virtuoso.....	343
Pandora.....	344
Additional Ideas for Using Apps.....	344
Chapter 40: Troubleshooting the iPad	345
What You'll Be Using.....	346
Kill a Hung Program.....	346
Your iPad Runs Sluggishly or Freezes.....	346
iTunes Won't Recognize Your iPad.....	346
Your iPad Cannot Access the Internet.....	347
Additional Ideas for Troubleshooting Your iPad.....	348
The Next Step	349
Index	351
