

# Index

## A

- address bar
  - File Explorer, 260
  - Microsoft Edge, 118–119
- advertisements
  - closing, 128
  - in search results, 139–140
  - settings, 24, 139–140
  - suspicious, 286
- Amazon, 149–150
- antivirus app, 283–286
- apps, 38, 50, 166. *See also specific app names*
  - browsing
    - installed apps, 39–42
    - new apps, 169–172
  - closing, 44
  - free, 51, 172
  - installing, 176
  - list, 39–40
  - maximizing, 43
  - minimizing, 45
  - opening, 43
  - paid, 179–180
  - popular, 39, 40
  - removing, 178–179
  - restoring, 45
  - searching for
    - installed apps, 41–42
    - new apps, 173–174
- attachments (email)
  - opening, 108–109
  - sending, 104–107
- audiobooks, 195, 215
- audio calls, 230–232, 234–235
- audio port, 8, 9, 10

## B

- backing up files, 275
- BACKSPACE key, 16, 17
- Bing
  - opening results, 142–143
  - refining results, 143–144
  - results page, 139–141
  - searching with, 138–139, 144–146
- bolding text, 249
- books
  - borrowing, 207–208
  - browsing, 206–207
  - changing font size of, 212–213
  - closing, 213
  - downloading, 208–210
  - placing on hold, 206
  - reading, 211
  - returning, 214
  - searching for, 204–206

## C

- Calculator app, 42–45
- calendar, system tray, 35
- Calendar app
  - adding events, 64–67
  - deleting events, 68
  - navigating, 63–64
  - reminders, 67
  - setting up, 61–62
  - viewing events, 68

- clicking, 14–15
- clock, 35
- closing apps, 44
- cloud storage, 277. *See also OneDrive*

## computers

- plugging in, 10–13
- ports, 8–10
- setting up, 17–27
- technical specifications, 5–8
- turning on, 13
- types of, 2–4

connecting

- devices, 73–74, 293–296
- to the internet, 18–19, 301–303

Cortana, 26

Crackle, 163

cursor, 14, 16, 246

cut-and-paste method, 272–273

## D

- desktop background, 33
- desktop computer, 2–3
- desktop screen, 32–35
- digital camera, 73–74
- digital photos. *See photos*
- double-clicking, 15
- double-tapping, 15
- downloading apps, 176
- dragging, 15
- drivers, 295
- drives, 261
- DVD drives, 7, 295

## E

- ebooks. *See books*
- email, 92. *See also Mail app*
  - attachments, 104–109
  - chains, 103
